TREESSE TOWARDS THE FUTURE

A STORY THAT BEGAN AS FAR BACK AS 1976,
A CLEAR CALLING FOR EXCELLENCE.

THE TREESSE CATALOGUE INCLUDES HYDROMASSAGE SPAS,
SAUNAS, COUNTER-CURRENT SWIMMING POOLS AND BATHTUBS.
THE COMPANY HAS MANAGED TO REDEFINE INDUSTRY STANDARDS IN ALL
THESE AREAS THANKS TO ORIGINAL PATENTS, AVANT-GARDE TECHNICAL
SOLUTIONS AND INNOVATIVE AND CAPTIVATING DESIGN.
ITS PRODUCTS ARE THE FRUIT OF CONTINUOUS INVESTMENTS IN R&D,
EXPERIMENTATION WITH MATERIALS AND NEW TECHNICAL SOLUTIONS;
MANY ARE THE RESULT OF A STRATEGIC PARTNERSHIP WITH THE
INTERNATIONALLY RENOWNED DESIGNER MARC SADLER.

THEY REPRESENT A UNIQUE COMBINATION OF TECHNOLOGICAL INNOVATION
AND BEAUTY SPECIFICALLY FOR AN EXCLUSIVE AUDIENCE,
SYMBOLS OF AN ELEVATED, CONSCIOUS LIFESTYLE.
CONSTANT ATTENTION TO CUSTOMERS COMPLETES THE FRAMEWORK
OF A COMPANY THAT GUARANTEES QUALITY AND RELIABILITY.

GHOST

A line of light revolutionises the concept of a spa. It hides the hydromassage nozzles while elegantly highlighting contours, increasing seating comfort and creating new chromotherapy effects.

GHOST PLUS

The peripheral cuts typical of the Ghost line become wider, the hydromassage jets stronger. The principle of the Ghost hydromassage is exalted and put to the service of greater power.

POOL

A new concept for the hydromassage nozzles that offers greater comfort thanks to their flush positioning and different distribution along the structure.

AURA

The first sauna that brings a high level of technical efficiency and comfort even within small spaces. The lighting is provided by horizontal cuts of light reminiscent of the Ghost system.

SUPERQUARZ

Treesse amazes again: the evocative effect of the infinity edge is applied to a spa in the Pool series, including the innovative design and operation of the hydromassage nozzles.

AQUARUN

Developed with the support of flow dynamics experts from the University of Trieste, Aquarun offers a technically enhanced counter-current swimming experience hand in hand with more comfortable dimensions.

MIRAGE

Sauna, Turkish bath and shower, together. The hammam Mirage is an ambitious product with attention to every detail, made with select materials to enhance the structure's thermal performance and beauty.

ICE

The elegance of glass emphasizes the striking effect of the infinity edge. The play of reflections on the transparent surface makes the relaxing experience even more immersive.

S

G

S

TREESSÉ'S STORY BEGAN AS FAR BACK AS 1976. MANY THINGS HAVE CHANGED SINCE THEN, BUT THE FUNDAMENTAL ASPECTS OF ITS ORGANISATION HAVE NOT: **FAMILY-RUN MANAGEMENT**, WHICH ALLOWS TO DEDICATE SPECIAL ATTENTION TO EACH CUSTOMER, **BEING MADE IN ITALY**, MANIFESTED IN THE PARTICULAR AESTHETIC TASTE BUILT ON MINIMALIST AND REFINED AESTHETIC RESEARCH, AND IN THE CONSTANT PURSUIT OF EXCELLENCE.

Franco Merenda

THE COMPANY FOUNDER FRANCO MERENDA PASSED AWAY IN 2021; HE WAS THE INSPIRATION OF THE VALUES THAT GUIDE TREESSÉ'S CHOICES AND WORKING METHODS. THANKS TO HIM, THERE IS STILL A CLEAR STRATEGIC VISION AT THE HEART OF TREESSÉ'S BUSINESS; THE COURAGE TO EXPERIMENT, ALONG WITH A STRICT SENSE OF LOYALTY, WHICH HAS ALWAYS TRANSLATED INTO THE CREATION OF STABLE, TRUST-BASED BUSINESS COLLABORATIONS.

1976

MANAGEMENT

TODAY THE COMPANY IS LED BY A COHESIVE TEAM THAT IS TAKING THE TREESSSE BRAND TOWARDS EVER INCREASING INTERNATIONALISATION. TREESSSE IS LED BY RICCARDO MERENDA, FRANCO'S SON AND THE CURRENT CEO, AND FABRIZIO MORGANTINI, MANAGING DIRECTOR.

2024

MARC SADLER IS A DESIGNER KNOWN FOR HIS MINIMALIST STYLE; AN ECLECTIC ARTIST WHO LOVES TO EXPERIMENT WITH PLASTICS AND THE CONTAMINATION BETWEEN TECHNOLOGIES. HE HAS RECEIVED NUMEROUS AWARDS IN HIS LONG INTERNATIONAL CAREER: FOUR-TIME WINNER OF COMPASSO D'ORO, FOUR HONOURABLE MENTIONS FROM THE ADI (ASSOCIATION FOR INDUSTRIAL DESIGN). ONE OF HIS PROJECTS IS EXHIBITED IN THE PERMANENT DESIGN COLLECTION OF MOMA IN NEW YORK.

MARC SADLER HAS BEEN WORKING WITH TREESSE FOR OVER 15 YEARS AND HAS DESIGNED MANY OF THE COMPANY'S FLAGSHIP PRODUCTS. A TRUE WINNING PAIR: ON THE ONE HAND, THE COMPANY'S DESIRE TO EXPERIMENT AND ITS WILLINGNESS TO INVEST IN INNOVATION, ON THE OTHER, SADLER'S BRILLIANT CREATIVITY AND EXPERTISE IN DESIGNING CUTTING-EDGE SOLUTIONS TO IMPROVE PRODUCT FUNCTIONALITY AND DESIGN. THIS IS HOW TREESSE CONTINUES TO PRESENT SUCH INNOVATIVE PRODUCTS, YEAR AFTER YEAR.

SADLER

longe + étroit (sédute -)
incliné + vertical (Dossier.)

PRODUCTS

UNIQUE SPAS OF GREAT ELEGANCE, WHICH INCLUDE PATENTED HYDROMASSAGE SYSTEMS AND CREATE AMAZING LIGHTING EFFECTS. FREESTANDING TANKS WITH A REFINED DESIGN, MADE OF INNOVATIVE MATERIALS.

SAUNAS THAT BRING THE FUNCTIONALITY AND COMFORT OF LARGER STRUCTURES TO SMALL SPACES. AND THEN THERE'S AQUARUN, A COUNTER-CURRENT SWIMMING POOL WITH HIGHER TECHNICAL STANDARDS THAN THE PRODUCTS ALREADY ON THE MARKET, OR THE EXTRAORDINARY HAMMAM MIRAGE...

TRESSE'S PRODUCTION RANGES FROM BATHROOM FURNISHINGS TO WELLNESS, ALWAYS CHARACTERISED BY PRODUCTS OF THE UTMOST QUALITY AND REFINED, CONTEMPORARY AND MINIMALIST AESTHETICS. YEAR AFTER YEAR, THE COMPANY'S COMMITMENT TO R&D HAS BROUGHT IT TO PRESENT ABSOLUTE INNOVATIONS TO THE SECTOR.

RELAXATION & WELLNESS

SPAS, SAUNAS, HAMMAMS.
TRESSE HAS BROUGHT A NEW SENSE OF AESTHETICS
TO WELLNESS, ACCOMPANIED BY SUPERIOR
COMFORT AND FUNCTIONALITY COMPARED
TO WHAT OTHER BRANDS ON THE MARKET OFFER.

SPORT

AQUARUN WAS DESIGNED BY MARC SADLER AND
DEVELOPED WITH THE SUPPORT OF DYNAMIC FLOW
EXPERTS FROM THE UNIVERSITY OF TRIESTE.
IT OFFERS AN ENHANCED SWIMMING EXPERIENCE
FROM A TECHNICAL POINT OF VIEW, SUITABLE FOR BOTH
PROFESSIONAL AND AMATEUR ATHLETES.

DAILY WELL-BEING

TRESSE'S FREE-STANDING PRODUCTS
EMANATE ELEGANCE, ORIGINALITY,
VARIETY, A DESIRE TO EXPERIMENT
WITH INCREASINGLY HIGH-PERFORMING
MATERIALS AND DIFFERENT STYLES.

CONSTANT INNOVATION.

ELEGANCE.

COURAGE.

TRESSE IS ALL THIS.

UNIQUE PRODUCTS,
BECAUSE...

A TREESSE SPA IS UNIQUE AND UNMISTAKABLE, ALWAYS.

WHEN THE MARKET STILL ONLY OFFERED TRADITIONAL HYDROMASSAGE SYSTEMS, TREESSE CREATED A NEW CONCEPT THAT ALLOWS TO ACHIEVE HIGHER LEVELS OF ELEGANCE, TECHNICAL EFFICIENCY AND COMFORT. THE REVOLUTION OF GHOST AND GHOST PLUS (BOTH WITH EXCLUSIVE PATENTS), AND THEN THE POOL LINE, TURNED THE CONCEPT OF A SPA UPSIDE DOWN BOTH FOR THEIR REFINED DESIGN AND FOR HAVING RAISED THE BAR OF FUNCTIONAL STANDARDS.

THE UNCOMPROMISING APPEAL OF AN INFINITY EDGE.

THE INFINITY EDGE IS ANOTHER ASPECT FOR WHICH TREESSE HAS STOOD OUT FROM THE COMPETITION, DEVELOPING SYSTEMS WITH ENTIRELY UNIQUE FEATURES. TREESSE REFUSES TO COMPROMISE ON THE ELEGANCE OF ITS SPAS; NO EXTERNAL FILTER SYSTEMS NOR OTHER REDUCTIONS IN TECHNICAL EFFICIENCY! AN INFINITY EDGE THAT ADDS APPEAL WHILE MAINTAINING THE UNMISTAKABLE TREESSE DESIGN AND ALL THE POWER OF ITS HYDROMASSAGE SYSTEMS. MOREOVER, THE GLASS ELEVATION IN THE TUB CREATES A NEW AND STRIKING PLAY OF REFLECTIONS IN ICE.

LIGHT IS DESIGN:
 THE LEDS INTEGRATED IN THE SPAS
 CREATE A PLEASANT CHROMOTHERAPY EFFECT,
 WHILE THE HORIZONTAL CUTS DIFFUSE A SOFT,
 RELAXING LIGHT INSIDE THE SAUNAS.
 THE INTERNAL LIGHTS INCREASE THE PLEASURE
 OF SWIMMING IN AQUARUN.

HYDROMASSAGE TUBS AND
 SPAS AVAILABLE IN MANY
SHAPES AND SIZES.
 PERFECT CIRCLES, ELEGANT
 OVALS, RECTANGLES OF VARYING
 PROPORTIONS...
 THEY CAN ACCOMMODATE
FROM 2 TO 8 PEOPLE.

USER EXPERIENCE IS ENHANCED BY THE THRONE ACCESS SYSTEM OR THE PERFECT AUDIO OF BIG BANG, WHILE THE AUTOMATIC LIFTS FACILITATE MAINTENANCE OPERATIONS.

THE SPAS CAN ALWAYS BE INSTALLED BOTH INDOORS AND OUTDOORS, FLUSH WITH THE GROUND OR RAISED ABOVE IT, IN THE MIDDLE OF A ROOM OR AGAINST A WALL... THE SIDE PANELS ARE CUSTOMISABLE IN DIFFERENT FINISHES TO MEET EVERY STYLE NEED.

THE SPAS FEATURE STATE-OF-THE-ART FILTRATION SYSTEMS. ALL ACCESS SYSTEMS ARE NON-SLIP. THE COMPANY GUARANTEES THE MAXIMUM SAFETY STANDARDS FOR ALL ITS PRODUCTS, CERTIFIED BY THE CORRESPONDING CERTIFICATIONS.

COMPANY

THE COMPANY WAS FOUNDED IN LAZIO,
THE GEOGRAPHICAL AND IDEAL HEART OF ITALY.
ITS HEADQUARTERS ARE IN ROME, WHILE THE MAIN PRODUCTION
PLANT IS IN NEPI. THE PRODUCTION PLANTS ARE STATE-OF-THE-ART,
MADE MORE EFFICIENT BY HIGH LEVELS OF AUTOMATION
AND ROBOTICS: A GUARANTEE OF MAXIMUM OUTPUT CONTROL.
THE ORGANISATION FOLLOWS BEST PRACTICES,
WITH STRICT QUALITY CONTROL.

THE COMPANY IS CURRENTLY EXPANDING ITS PLANTS,
WAREHOUSES AND OFFICES TO ADAPT THEM TO THE NEW
PRODUCTION AND IMAGE NEEDS OF AN AMBITIOUS
AND GROWING COMPANY.
THE PROJECT INCLUDES A NEW, EVEN BIGGER SHOWROOM,
WHERE VISITORS WILL BE ABLE TO ADMIRE THE VARIETY
OF TREESS PRODUCTIONS.

LIFESTYLE

FROM ITALY TO THE WORLD:
TREESSSE WORKS WITHOUT BORDERS,
AND HAS REACHED MORE THAN 50
COUNTRIES AROUND THE WORLD.

TREESSSE SPAS, BATHTUBS AND
OTHER PRODUCTS CAN BE FOUND IN SOME
OF THE BEST ACCOMMODATIONS IN
EACH COUNTRY, INSIDE EXCLUSIVE SPAS,
IN PRIVATE VILLAS. MOREOVER,
TREESSSE CUSTOMERS CAN COUNT
ON A STABLE DISTRIBUTION NETWORK
IN ITALY AND MANY AREAS OF EUROPE
WHICH INCLUDES SPECIALISED
STORES AND AGENTS.

CONTRACT
